

Membership Scholarship for Meeting Professionals

The MPIMP Scholarship for Meeting Professionals was created by MPIMP to help increase membership of meeting professionals, as well as offer opportunities for those responsible for planning meetings and events, who are financially unable to join MPIMP at this time.

Scholarship Goal Our goal is to ensure the meeting professional will experience firsthand the membership benefits of MPIMP. From education programs and Platinum Speakers to networking events and community activities, MPIMP offers the resources for continuous professional growth and improvement.
