

## CARE Team Bags

The JTM CARE Team provides emergency advocacy services on the weekends to victims of violence. We are collecting brand new travel-sized toiletries to create gift bags to hand out to victims.

### **Suggested items for CARE bags include:**

**Brand new travel-size items including shampoo, conditioner, moisturizer, toothpaste, toothbrushes, lip balm, face wash, body wash, washcloths, deodorant, dental floss, comb or hairbrush, and personal items like tampons, sanitary pads, etc. anything that could be a benefit.**

**JTM is also collecting gift cards for gas and food items (gas stations and grocery stores, fast food restaurants) in \$25 or \$50 increments to help victims who need emergency assistance.**

**We will also accept brand new clothing items, blankets and teddy bears which are very much appreciated by our victims!**

We are collecting anything that could meet a survivor's basic needs.
